To Whom It May Concern:

This letter is in recommendation of Miss Oriana Campbell, whom I've had the pleasure to work with and supervise at Westhill Institute in Mexico City, Mexico from August 2010 until July 2011. I have been delighted to watch her grow as both an individual and professional as she successfully completed her first year as head classroom teacher. Her genuine interest in bringing out the best in each child, accompanied by her natural enthusiasm and compassion has endeared her to the students she has worked with. In my opinion, she is an excellent teacher, coworker and person, who has been a vital part of our school community.

Oriana is a very hardworking individual who strives to make an impact on the lives of the students with whom she comes in contact. She is passionate about her job and always seems to find creative ways to solve often difficult problems. As her supervisor, I admired her consistency and willingness to always do what is necessary to make our school better and greatly appreciated her outstanding organizational skills. Her thoughtfulness and warm smile was appreciated by all who came in contact with her at our school.

Throughout our working relationship, I have been particularly impressed with Oriana's ability to work successfully and relate on a personal level with students of all ages, levels and abilities. She seems to have a natural ability to intuit the particular sensitivities and needs of the students with whom she interacts. As well, her direct and clear manner of communication has greatly influenced her success as an instructor.

I highly recommend Miss Oriana as a member of your teaching staff. She will make an outstanding addition to any team she joins. If you would like to further discuss Oriana's role in our school, please do not hesitate to contact me. I can be reached by telephone at (52) (155) 1812 6263 or via email at Clevelandgip@yahoo.com.
