1 February 2013.

To whom it may concern,

It is with great pleasure that I write this letter of recommendation for Oriana Campbell.

Oriana worked at Eton School for a period of nine months, as an English teacher for two groups of grade 2, under my supervision.

I consider Oriana to be a very gentle and kind human being, and an empathic professional. She is organized and enthusiastic. The students that she worked with loved the learning opportunities that she prepared for them.

Project work came naturally to Oriana, as she was able to put together very interesting representations of learning, and aesthetic displays that were helpful in observing academic processes and accomplishments.

Oriana was extremely flexible and supportive. She always responded to unexpected issues with a smile and an idea to solve the problem.

Pam was always open to new ideas as well as to constructive criticism that could make her a better professional.

Plus, she produced wonderful progress reports and student portfolios.

Parents and students have appreciated her dedication, we enjoyed having her in our staff, and I know she would be an asset to any school.

If you have any questions, please feel free to contact me.

Respectfully,

Sylvia Karam  
Early Elementary Principal, Eton School, MX
